EVAPORATED MILK MEMORANDUM NO. 5
(Condensed Milk)

TO: Samplers of Evaporated & Condensed Milk

FROM: Rob R. Slocum, Senior Marketing Specialist, Dairy and Poultry Branch, A.M.A.

SUBJECT: Announcement FSC 823. Covering the purchase of sweetened condensed milk by the FSCC

Announcement FSC 823, dated July 29, 1942, copy of which is attached is issued for the purpose of purchasing 300,000 cases of sweetened condensed milk during the remainder of 1942.

Offers may be submitted so as to be received by 10:00 A.M. (E.W.T.) on the first Tuesday of each month beginning August 4, 1942.

Offers may be submitted for any quantity in multiples of maximum carloads. No tolerance will be permitted, upon delivery, in the accepted quantity.

The product shall be not more than 45 days old at the time of offer to the FSCC. therefore, the sampling report and the covering grade and weight certificate should show the month and day of month each lot was manufactured. The offer shall state the date on which the product will be ready for delivery, and inspection by A.M.A. will be at the request of the vendor. Such request shall be made in ample time to allow inspection to be completed prior to date of delivery.

The product shall be packed at the rate of 14 oz. net weight in hermetically sealed cans which shall be labeled with legal commercial labels and packed 48 cans per case unless specifically authorized otherwise by the FSCC. All cases shall be plainly marked with "Sweetened Condensed Milk, 46-14 oz. cans" lot number, contract number, vendors name and such other legend as FSCC may specify.

The same procedure shall be followed in sampling this product and forwarding the samples to the laboratory for examination as those given for the sampling of evaporated milk. Likewise the same sampling report may be used by marking out the word "evaporated" in the heading and substituting the words "sweetened condensed."
